**Re: Approval of Proposed P4 Long-Term Surface Water and Groundwater Monitoring Plan – Final Rev 0 - 2014, dated April 8, 2014.**

Dear Ms. Roskelley,

The Agencies and Tribes (A/T) have reviewed and approve the above referenced memorandum and attachments describing the proposed surface water and groundwater monitoring activities for 2014. This deliverable is submitted pursuant to the Administrative Settlement Agreement and Order on Consent/Consent Order for Performance of Remedial Investigation and Feasibility Study at the Enoch, Henry, and Ballard Mine Sites in Southeastern Idaho (or 2009 AOC).

Please produce and distribute a final version of the plan. As we have discussed in the past, some agencies have provided direction that it is acceptable to provide an electronic version of the final deliverable on a CD (rather than both a hardcopy and electronic copy). Please contact me if you have questions. I can be reached at 208-378-5763 or electronically at [tomten.dave@epa.gov](mailto:tomten.dave@epa.gov).

Sincerely,

//s//

Dave Tomten  
Remedial Project Manager
